PETITIONER,

v.

CASE NUMBER 2014-01949

TERESA ANN HOWARD, M.D.,

RESPONDENT.

ADMINISTRATIVE COMPLAINT

Petitioner Department of Health hereby files this Administrative Complaint before the Board of Medicine against Respondent Teresa Ann Howard, M.D., and alleges:

1. Petitioner is the state agency charged with regulating the practice of medicine pursuant to Section 20.43, Florida Statutes; Chapter 456, Florida Statutes; and Chapter 458, Florida Statutes.

2. At all times material to this Complaint, Respondent was a licensed physician in the State of Florida, having been issued license number ME 68780.

3. Respondent's address of record is 109 Live Oak Lane, Largo, Florida 33770.

4. Respondent is Board Certified in Diagnostic Radiology by the American Board of Radiology.

5. On or about June 30, 2011, Patient L.I., a then fifty (50) year old female, presented to Susan Cheek Needler Breast Center, in Clearwater, Florida, for a bilateral digital diagnostic mammogram with computer-aided detection and right breast ultrasound ("mammogram and ultrasound") of a palpable abnormality ("mass").

6. On or about June 30, 2011, Respondent interpreted the mammogram and ultrasound in her Final Report as follows: "[T]here has been no interval change in the appearance of the breasts with no evidence for malignancy. At the 7 o'clock position, 7 cm away from the nipple, correlating to the [mass] is a simple cyst..."

7. Respondent recommended "[M]ammography and yearly physical examination per ACS guidelines, supplemented with monthly self-examination. If clinically indicated, the cyst could be aspirated."

8. At no time material hereto did Respondent recommend a biopsy of the mass.

9. Respondent rated the mammogram as a BI-RADS Category II, "[B]enign."

10. A correct interpretation of the mass would have indicated that it had lobular and angular margins, and increased through transmission.

11. The mammogram should have been rated BI-RADS Category V, "[H]ighly suspicious: [A]ppropriate action should be taken."

12. Respondent should have recommended biopsy of the mass.

13. On or about January 23, 2012, Patient L.I. was advised by a subsequent treating physician that she had invasive ductal carcinoma, Stage III.

14. At all times material to the complaint, the prevailing standard of care required Respondent to do one or more of the following:

- a. Correctly interpret the mammogram and ultrasound; and/or
- b. Recommend a biopsy of the mass.

15. Section 458.331(1)(t)1, Florida Statutes (2010), subjects a doctor to discipline for committing medical malpractice as defined in Section 456.50. Section 456.50, Florida Statutes (2010), defines medical malpractice as the failure to practice medicine in accordance with the level of care, skill, and treatment recognized in general law related to health care licensure.

16. The level of care, skill, and treatment recognized in general law related to health care licensure means the standard of care specified in Section 766.102. Section 766.102(1), Florida Statutes (2010), defines the

standard of care to mean “. . . The prevailing professional standard of care for a given health care provider shall be that level of care, skill, and treatment which, in light of all relevant surrounding circumstances, is recognized as acceptable and appropriate by reasonably prudent similar health care providers. . . .”

17. Respondent failed to meet the prevailing standard of care in regard to Patient L.I. in one or more of the following ways:

- a. By incorrectly interpreting the mammogram and ultrasound;
and/or
- b. By failing to recommend a biopsy of the mass.

18. Based on the foregoing, Respondent has violated Section 458.331(1)(t)1, Florida Statutes (2010), by committing medical malpractice.

WHEREFORE, the Petitioner respectfully requests that the Board of Medicine enter an order imposing one or more of the following penalties: permanent revocation or suspension of Respondent’s license, restriction of practice, imposition of an administrative fine, issuance of a reprimand, placement of the Respondent on probation, corrective action, refund of fees billed or collected, remedial education and/or any other relief that the Board deems appropriate.
